WORK & EDUCATION

SUSSMAN CONSULTANTS - Highland Park, NJ
(Creative Director)

MARCH 2016 - PRESENT

Responsibilities include: designing and executing high-quality web and print marketing materials and branding packages, creating print ready art files for production, overseeing projects and collaborating with design team, slicing and preparing images in Photoshop for websites and email newsletters, developing and executing creative concepts for various marketing campaigns, events, and direct mail pieces.

GSL SOLUTIONS - Remote (Senior Web Designer)

MARCH 2009 - MARCH 2016

GSL Solutions is the number one provider of web solutions for the US Senate and the House of Representatives. Responsibilities include wire-framing and designing websites as well as creating web graphics and e-newsletters.

SELF-EMPLOYED - Remote (Freelance Designer)

JUNE 2007 - PRESENT

My freelance projects include both graphic and web design and range from logo creation to illustration to basic website development (HTML/CSS).

INFOSOURCE, INC. - Oviedo, FL (Graphic Design Intern)
SEPTEMBER 2008 - NOVEMBER 2008

Responsibilities included creating, importing, and animating graphics within a Flash driven template to be used for online training programs for large corporations and K-12 teachers and students.

FULL SAIL UNIVERSITY - Winter Park, FL

FEBRUARY 2007 - OCTOBER 2008

Bachelor of Science Degree in Digital Arts & Design
GPA: 4.0, Valedictorian

ACHIEVEMENTS & PROJECTS

- Valedictorian of my graduating class at Full Sail
- Recipient of the Course Director's Award in the following courses: Web Design, 3D Arts, Flash ActionScript, 3D Animation, Game Content Creation, and Digital Publishing
- Perfect Attendance at Full Sail University
- Merit Scholarship to Full Sail University
- Chosen to present at and design a promotional poster for Full Sail's Graduate Showcase - October 2008

- Designed full websites & customized social network pages for Senate, House, and campaign clients
- Designed political sites that won Congressional Management Foundation awards, including the Platinum Award for Senator Lisa Murkowski for the best Senate member website in 2010
